

TSS27403AU | Targus 13" Banker Sleeve for MacBook Pro® and Ultrabooks(Magenta)

The Targus Banker Sleeve is designed to provide additional protection for 13" MacBooks and Ultrabooks especially when transporting the device inside of another carrying case. The scratch-resistant lining keeps the MacBook or Ultrabook free from scuffs while the exterior fabric is both water and wear-resistant. Reminiscent of the classic banker case, the Targus Banker Sleeve includes an integrated ID holder and contrasting design accents.

Compatibility: Designed to protect up to 13" MacBooks from scratches and scuffs

Functionality: Ideal when carrying your laptop to and from meetings; Provides an additional layer of protection when transporting the laptop in luggage or another carrying case

Material: Constructed of weather-resistant neoprene material and scratch-resistant lining
