

PA410B | Targus DEFCON CL (Laptop Cable Lock)

This Targus laptop security product finally provides a computer security solution with nothing to lose! Everyday nearly 1,000 laptop computers are stolen - protect your laptop computer and its valuable data with this affordable laptop security product - the DEFCON CL. The Targus DEFCON Cable Lock (CL) is 6.5 feet of cut-resistant, galvanized steel cable that loops around any secure object and easily attaches to your laptop computer's lock slot. Our DEFCON CL features a user-settable combination lock with up to 10,000 possible settings. The DEFCON CL is the first laptop computer security product to offer the benefits and convenience of a keyless security solution.
