THZ15601AP | Targus Versavu™ for The new iPad® (Charcoal Gray/Bone White)

Transform your iPad into the ultimate viewing experience with the Versavu from Targus. With 360 degree rotating axis and soft-touch liner, no other competitor offers you more. Take this case everywhere you go and know that your iPad is completely protected. This product boasts a stain-resistant padded exterior that wipes clean with water, along with a lining made from soft-touch material. The Versavu is perfect for either at work or while you travel. Type, watch, browse or chat, as this stand features a patent-pending rotating design that allows you to view in either portrait or landscape angles. Be proud of your branding and style with the brightly colored cover which frames the Apple logo. No one will mistake what tablet you are carrying and Targus allows you to take it there.

Compatibility - Apple iPad 3rd Generation

Functionality - 4 viewing angles plus 1 typing position makes this case versatile; A wipe-clean outer case and soft-touch innerlining; All around function with 360 degree rotating stand and clever stylus storage all while securely storing your device in thecustom fit casing

Material - Durable, water resistant padded exterior shell
