

BUS0187 | Targus Netbook Accessory Kit

The Targus Netbook Accessory Kit features a sleeve designed specifically to fit netbooks with up to 10.2" screens. Also included in the kit is an ultra-mini optical mouse with retractable cable and a portable USB hub. The accessory kit features the entry level accessories useful to a netbook owner at one low cost. The sleeve is designed to help protect the netbook from scuffs while the mouse makes it easy to surf the web and operate the netbook while on the go. The hub features a cable that stows away inside of the unit for added portability and allows you to connect up to four additional peripherals to your netbook simultaneously.

Fits netbooks with up to 10.2" screens

The latest optical sensor technology ensures perfect response to mouse movements

USB connector stores in until for portability
