

Product Specification Sheet

Targus Laptop Portable LapDesk™

Part #: PA243U

Product Description:

The Targus Notebook Portable LapDesk™ is a folding tray that supports a notebook computer or PDA keyboard while on your lap, plane service tray or other surfaces that require more stabilization. The thin design allows the LapDesk™ to be packed easily in a notebook case alongside the computer, while it is sturdy enough to support the heaviest of laptops. The LapDesk™ also comes featured with an adjustable foot that can improve the cooling efficiency of your notebook by raising the back edge and increasing the airflow around the computer.

Product Features and Specifications:

- **Ideal for Travel:** Perfect lightweight design - weighs just 22 ounces - for use on an airplane, at home and at work
- **Mobile convenience:** Non-skid surface holds a notebook in place; can be used as a tilt stand with 5 adjustable angles
- **Reduces overheating:** Ventilation channels provide airflow under notebook for cooler operation
