

TBT049AP | Spruce EcoSmart™ TopLoad

The Spruce EcoSmart™ TopLoad is designed to protect up to 15.6" widescreen laptops and is constructed of 100% recycled polyester material. The case also features PVC-free material, nickel-free hardware and recyclable plastic components to emit fewer toxins into the environment. To store the essentials, the TopLoad features a key clip, business card holder and compartment for a cell phone or other accessories. To provide comfort while on the road, the case is equipped with an adjustable and padded shoulder strap as well as a durable carry handle. The colorful green interior lightens the case, so items stored inside are more visible. Both sleek and sporty, the Spruce EcoSmart™ TopLoad offers a durable eco-friendly option with tasteful color accents.
