THZ605GL | Versavu for Samsung Tab A 9.7" - Black

The ultra slim rotating case lets you turn your Samsung Tab A 360° inside the case for a choice of viewing in landscape or portrait. The durable cover transforms into a multi-position stand for hands free viewing or a comfortable typing position. Versavu has a secure cover closure and soft interior lining to ensure screen protection when you are on the move. Access all ports, features and functions of your Samsung Tab from inside the case.
