

THD118AP | Targus Versavu™ Case for Samsung Note 10.1 (2014 Edition)

With 360° screen rotation, multiple viewing angles, dedicated typing tab, the Versavu case offers the ultimate in functionality to maximize your user experience of the Galaxy Note10.1 (2014 Ed.) device.

360 Rotation – Patent-pending 360 degree rotation allows for viewing in landscape and portrait mode. The custom-fit cradle securely holds the device in place when viewing in addition to providing clear access to all ports and buttons.

Better viewing – 4 foam grooves combined with customized tray grips create multiple viewing positions with enhanced stability

Security – Elastic band closure keeps the case closed and your device secure during transport.

SMAPP Approval Product

Compatibility – Custom designed for the Samsung Galaxy Note 10.1(2014 Edition)

Material – Durable and water resistant. Premium microfiber soft-touch interior lining protect the screen from scratches.

Functionality – Patent-pending 360 degree rotation; Custom-fit cradle; 4 foam grooves for multiple viewing angles; Typing tab position; Elastic closure; Clear access to all ports and buttons
