

## TSB845AP | Targus 15.6" Seoul Backpack

Allying aesthetics and functionality, the Targus 15.6" Seoul backpack is part of your daily wear, before, during and after work.

Inspired by the latest trends, the Seoul backpack showcases a clean and streamline design featuring a unique 6-shape secure closure. With soft-touch nylon doobby material with water resistance finish, it brings new levels of lightness and practicality. The spacious main compartment features a dedicated up to 15.6" laptop and an iPad®/tablet pocket with a Velcro closure, along with plenty of space for files, folders and other printed material. The zippered front workstation pocket is designed to accommodate up to two smartphones and a couple of pens. Quick-grab items can be stored in the zippered pocket on the top flap, while more precious items can be secured in the zippered pocket on the back panel for added security. Umbrellas, water bottles and other smaller items can be easily accessed at the dual side pockets. Other features include a water-resistant base for added protection, adjustable side straps for a better fit and fabric zippers for a soft touch.

The Seoul backpack is travel-friendly. Thanks to its open back/trolley sleeve at the back panel, it allows the backpack to be securely placed on a trolley when used for longer journeys or heavier loads. The large soft handle on the front panel provides an innovative and alternate carrying solution while the adjustable and retractable shoulder straps can be easily hidden at the back panel. The ventilated air mesh back padding and PU leather wrapped handle provide the needed comfort during travel.

Tailored to fit your fashion style, fun, travel, and even business needs, the Seoul backpack is designed to manage them all.
