

CBT201AP | BlackTop Messenger

The padded computer compartment provides great protection to the laptop. Durable material and signature rubber tread provide maximum shock absorption and prevent damaging the laptop. The case features numerous storage pockets and the front flap pocket was designed for a quick access to the most needed items: airline ticket, passport, PDA, pens, keys and business cards. The main compartment includes a large mesh pocket and two padded pockets for accessories as well as scratch-resistant sleeves to hold five CD/DVDs. A separate dedicated file section provides additional storage and organization options. A smart strap was designed to easily attach the case to the telescoping handle of a luggage.

Computer compartment to fit laptops up to 15.4”.

The padded compartment provides great protection to the laptop and the signature rubber tread ensures maximum shock absorption.

Numerous storage pockets and front flap pocket allow quick access to most needed items. A separate file section provides additional storage and organization.

The case is made of durable 1680D polyester w/330D nylon twill.

A convenient smart strap has been designed to ensure the case easily attaches to luggage.
