

TBR015AP | Targus Revolution Compact Roller

The Targus Revolution Roller is designed to fit up to 15.6" widescreen laptops and any tablets. Patented SafePORT® Air Cushion System provides industry-leading protection against drop-damage. For ultimate laptop protection, the Flip-Fit™ feature allows the 15.6" laptop compartment to be adjusted to snugly fit smaller laptops. The main compartment space provides anyone who wants the flexibility to carry more. The front zipped compartment provides an intelligent accessory storage such as your business cards, USB flash drives, SD cards, pens, or more. The see-through windows at front panel show mobile phone activity. Comes with a removable accessory pouch, it maximize flexibility for your power adaptors and other accessories storage. For easy transport, the three-tier telescoping handle makes it possible to adjust the height of the trolley while the smooth rolling wheels provide optimal navigation. The roller also includes a separate ergonomic top handle and side water bottle pocket compartment for added convenience. Overall, the Revolution Compact Roller is a functional transit case designed for professionals on the go. Constructed of nylon material with intelligent design features, this case utilizes top of the line materials to integrate a sophisticated style with the functionality of a day to day executive case.
