

TBT23101AP | Targus 14" Transit Topload

The Targus Transit Topload is designed to fit up to 14" widescreen laptops and any tablets. This case is a slim and compact model providing protection, functionality and comfort. The main compartment features foam padding designed for storage including laptop and tablet that keeps the device secure and separate from other items carried in the case. The front easy-access zipped pockets make it easy  to store items you may need to access quickly such as your business card, phone, pens, wallet, and more. A back slip zippered pocket makes it easy to carry documents, files or magazines on the go. The case is equipped with a removable/adjustable shoulder strap and includes water-resistance bottom for added durability. A trolley strap system which is compatible with any roller case can also help any business travelers to stride through any airport easily and comfortably. It is the perfect companion for everyday office use or business travel.
