

## TSB213AP | Targus 16" Conquer Plus Laptop Backpack

The Targus Conquer Plus Laptop Backpack is designed to accommodate laptops with up to 16" screens. This is a sporty and all-purpose backpacks that provide high functionality and rugged protection. This backpack features two extra-large compartments for storage including a padded laptop and tablet compartment that keeps the devices secure and separate from other items carried in the case. The backpack bottom is constructed with water-and-wear resistant bottom for added durability. For added support and carrying convenience, the adjustable sternum strap, ergonomic padded shoulder straps and back panel allow for equal weight distribution to help prevent back strain. To stay organized, the case features an interior file storage area which expands and laptop section to store books, laptop accessories and more. The two front quick-access zippered pockets are ideal to quickly grab the most needed items such as sunglasses and more. The front organizational pockets feature a business card holder, a mobile phone compartment, pen loops and anything you want to easily have access to. There are also side pockets catering for food and beverage storage. The Conquer Backpack features extra-large storage compartments and numerous zippered pockets to store everything you need for school, work or travel.
