

TSB801AP | Targus 17" CityLite II Ultimate Backpack

The Targus CityLite II Ultimate Backpack combines all qualities required to securely store and protect for both work and leisure. To avoid unwanted opening of the bag, the Safety lock anti-theft puller system makes it harder for pickpockets to unzip and steal your valuables. They make it difficult for anyone to open the bag without you noticing. A secret pocket is cleverly designed at the back panel to secure your valuables. Rests assure your laptop, digital accessories, and valuables are perfectly well-protected. This means a total peace of mind during your commute. The backpack is also packed with features designed to protect the bag and everything that goes in it. Laptops up to 17" are securely stored in a dedicated snug fitted foam cradle compartment, suspended above the bottom of the case. The adjustable strap ensures the most secure fit to any laptop size. The adjustable strap ensures the most secure fit to any laptop size. The backpack is hard-wearing and offers weatherproof protection. Its durable exterior material and wear and water-resistant bottom can sustain the most demanding journeys. The built-in detachable rain cover and water-resistant bottom are ideal for enduring the elements. The CityLite II Ultimate Backpack is designed for travel and everyday use. It features self-reflective piping designed to increase visibility in low light environments. A dedicated compartment design featured with iPad®/tablet pocket provides supreme capacity for your personal valuables and digital gadgets. The expandable dual-side zippered pockets can hold a water bottle holder, an umbrella, or anything you want to easily have access to. The advanced workstation will neatly store your keys, pens, business cards, and more. Features include customized durable molded handle, padded air mesh back panel and ergonomic adjustable shoulder straps provide maximum comfort with functionality. The stylish blue accents give the backpack a discreet look. The CityLite II Backpack is not only perfect for travel and safety; it truly brings you the ultimate safe transport, for your gear and for yourself.
