TSB82704 | Targus 15" Groove X Compact Backpack for MacBook®

Inspired with a blend of style and substance, designed specifically for Apple, the latest Groove X Series for MacBook® brings new meaning to the world of carry. Carefully chosen with high quality two-tone cross dyed polyester, the Targus Groove X Compact Backpack intends to protect up to 15" MacBook® Pro with Retina Display. The case is with water resistant finish and with wear- and water-resistant bottom. It provides the perfect solution for someone looking for a protective, yet compact and light case. The case features a 15" padded cradle and a dedicated iPad® pocket with velvet anti-scratching lining, which allows easy slide in and out and free from dust or scratches. Equipped with a built-in mobile charging compartment for power bank storage, it ensures you stay connected whenever, wherever. The front stash pocket with advanced workstation, side elastic pockets and inside zippered mesh pockets provide convenient storage. With cushioned top handle, it allows versatile usage option for your carry. Additional features include padded air mesh system, which is built to increase airflow and comfort; and the shoulder straps are adjustable and ergonomic. Available in a variety of colors and styles, the Groove X Series offers a fresh and smart appeal to enhance your mobile life.
